

APPENDIX

NORMATIVE RESOLUTION NR. 82 FROM DECEMBER 3, 2008

TERMS OF AGREEMENT

I hereby declare, subject to the Brazilian Penal Code, that while conducting research activities in Brazil I will abide by the laws of the Country and in particular to current legislation related to the collection of and access to genetic resources and or associated traditional knowledge, furthermore, I take upon myself the responsibility to share any research benefits with the rightful owners of the above mentioned resources and/or knowledge according to the provisions, which I am fully aware of, established in **Provisional Measure 2.186 from August 23, 2001**, in **Decree 98.830 from January 15, 1990** and in **Administrative Rule MCT 55 from March 14, 1990**, altered by **Administrative Rule MCT 826 from November 7, 2008**, and any posterior alteration(s).

Furthermore, I hereby authorize the involved Brazilian institution to translate, publish and spread within Brazil any of the results of my work, according to current Brazilian legislation.

I hereby declare that I will take any possible measures in order to ensure that the acquired scientific results will be kept in adequate conditions and according to current Brazilian legislation.

I hereby declare that any collected material that may come to be considered as “typical” will be returned to Brazil.

I also assume the responsibility to inform the co-participating and co-responsible Brazilian institution, periodically or when requested, on the development of my work activities abroad that are based on the collected material including full or partial scientific results.
